End of water year information

For a smooth end of water year process, please ensure any overuse of water for 2021-22 is rectified, and all outstanding accounts are paid in full. To ensure Sunwater customers can effectively manage their water and business, we have compiled key information and submission dates regarding meter reads, carryover, and temporary transfers, which are available in this newsletter.

Commercial and industrial customers

To assist with preparing for end of water year, commercial and industrial customers should contact their relationship manager to discuss any special arrangements currently in place. The Sunwater Commercial team can be contacted directly by:

- emailing commercial@sunwater.com.au
- phoning 13 15 89 and providing the name of your relationship manager to the customer advisor you are connected with.

Are your contact details up to date?

To avoid missing critical communications and streamline managing your Sunwater business, customers are encouraged to check their contact details and authorised account contacts are up to date by:

- logging into your Sunwater Online account [here](#). Assistance with updating contact information is available [here](#)
- emailing a [Customer Profile Form](#) to customersupport@sunwater.com.au
- chatting with an advisor via the [Sunwater website](#) live chat or phoning 13 15 89 Monday-Friday 8:30am – 4:30pm.

Updating your invoice delivery method

Invoices received via post are a summary only and don't include information such as past meter reads, water usage, and a breakdown of your fees and charges.

By opting for an email invoice, your bills will be received in real time and, instead of receiving a summary invoice, bills will include all of the above information.

To update your invoice delivery method, please contact customer support by phone, email or the Sunwater website live chat.
