

## DEALING WITH A COMPLAINT INVOLVING THE CHAIRPERSON OR MEMBER OF THE BOARD OF SUNWATER LIMITED (S. 156 GOVERNMENT OWNED CORPORATIONS ACT 1993 AND S. 48A OF CRIME AND CORRUPTION ACT 2001)

### 1. Purpose

The objective of this policy is to set out how SunWater Limited will deal with a Complaint that involves or may involve corrupt conduct of the Chairperson of the Board of Directors of SunWater (Chair) or a member of the Board of SunWater (Director).

The relevant obligations in respect of notifying complaints of suspected corrupt conduct relating to SunWater are set out in section 156 of the GOC Act. It provides that the CEO must notify the CCC of a Complaint relating to the GOC if the CEO suspects the complaint involves, or may involve, something that would be corrupt conduct under CC Act (if the GOC were a unit of public administration). This Policy has been developed with a view to being consistent with policies of Units of Public Administration under section 48A of the CC Act, (despite section 48A of the CC Act not applying to SunWater). This policy is designed to assist SunWater to:

- Promote public confidence in the way suspected corrupt conduct of the Chair or a Director is dealt with (s156 GOC Act).
- Promote accountability, integrity and transparency in the way SunWater deals with a complaint that is suspected to involve, or may involve, corrupt conduct of the Chair or a Director.

### 2. Policy Application

This Policy applies if there is a Complaint which involves or relates to the Chair or a Director regardless of whether it is suspected the Complaint involves corrupt conduct, or not.

#### 5. Notification

For the purposes of notifying a Complaint to which this Policy applies, sections 156(1) and (2) of the GOC Act apply to SunWater as if a reference to the CEO were a reference to the Nominated Person. In assessing a Complaint for notification, the Nominated Person must, at all times, use his or her best endeavours to act independently, impartially and fairly to investigate the Complaint (and such other matters that the nominated person identifies) and assess and determine whether there are grounds to suspect the Complaint involves, or may involve, something that would be corrupt conduct under the CC Act if the GOC were a unit of public administration, having regard to the:

- purposes of the CC Act
- the importance of promoting public confidence in the way suspected corrupt conduct in SunWater Limited is dealt with; and
- SunWater's statutory, policy and procedural framework.

The Nominated Person must, pursuant to section 156 of the GOC Act, notify the CCC of a Complaint relating to the GOC if the nominated person suspects the complaint involves, or may involve, something that would be corrupt conduct under CC Act (if the GOC were a unit of public administration). If the CEO suspects a Complaint may involve corrupt conduct of the Chairperson or a Director, the CEO must report the Complaint to the Nominated Person as soon as practical and may also notify the CCC under section 156 of the GOC Act.

The Nominated Person must also:

- disclose the Complaint to the CEO as soon as reasonably practical; and
- report to the Board of Directors of SunWater about the action taken or not taken in respect of a notification of the Complaint.

If the Chairperson suspects a Complaint may involve corrupt conduct on his or her part, the Chairperson must:

- Report the Complaint to the Chairperson Nominated Person as soon as practical; and
- Take no further action to deal with the Complaint unless requested to do so by the Chairperson Nominated Person.

If a Director suspects a Complaint may involve corrupt conduct on his or her part, the Director must:

- Report the Complaint to the Director Nominated Person; and
- Take no further action to deal with the Complaint unless requested to do so by the nominated person in consultation with the Director Nominated Person.

#### 6. Post notification - Dealing with a Complaint

The Nominated Person has the responsibility to Deal with a Complaint notified under section 156 GOC Act to which this Policy applies when:

- Directions issued under section 40 of the CC Act apply to the Complaint; or
- Pursuant to the CC Act, the CCC refers the Complaint to the CEO, the Chairperson Nominated Person or the Director Nominated Person.

In such circumstances, the GOC Act and CC Act will apply as if a reference to the CEO of SunWater was a reference to the Nominated Person and the Nominated Person:

- is delegated the same authority, functions and powers as the CEO to direct and control staff of SunWater as if the Nominated Person is the CEO of SunWater for the purpose of dealing with the Complaint only;
- is delegated the same authority, functions and powers as the CEO to enter into contracts on behalf of SunWater for the purpose of dealing with the Complaint;
- must deal with the Complaint; and
- must, before finally dealing with the Complaint, report to the Board about the action proposed to be taken or not taken, subject to any lawful direction of the CCC.

SunWater will ensure that sufficient resources are available to the Nominated Person to enable them to deal with any Complaint appropriately. In Dealing with a Complaint, the Nominated Person must, at all times, use their best endeavours to act independently, impartially and fairly having regard to the:

- purposes of the CC Act;
- the importance of promoting public confidence in the way suspected corrupt conduct in SunWater Limited is dealt with; and
- SunWater's statutory, policy and procedural framework.

## 7. Liaising with the CCC

The CEO is to keep the CCC and the Nominated Person informed of:
