Nominate the address for invoices to be sent to:

Name		Address	

Acknowledgement (all account holders)

I/We agree: .

- This form must be signed by all people who appear on the customers' IWA (Interim Water Allocation) or WA (Water Allocation). These people also have a contract with SunWater for delivery of this water
- That any of the above parties can sign on our behalf with relation to temporary transfers or other changes to the total volume available to us
- To the conditions set out in the Guidelines and Conditions below, including our agreement to be jointly and severally liable for all charges and any breach of the contract
- Not to take more water than the total available under the above Water Accounts.
- That if this application is approved prior to a Resource Operations Plan (ROP) coming into operations and if the offtakes are in different ROP zones, this agreement will cease on the date of the ROP commencing
- That the customers release and indemnify SunWater with respect to supply past the Nominated Works. SunWater is not liable for any loss or damage suffered by the Customer due to the action or inaction of the owner of the Nominated Works

Guidelines and Conditions

Application and Approval

This form must be signed by all people who appear on the customers' IWA (Interim Water Allocation) or WA (Water Allocation). These people also have a contract with SunWater for delivery of this water.

Any outstanding accounts must be paid by all parties before an application will be processed.

Water Charges and Invoicing

A single invoice and water statement will be sent to the address nominated on this form. Customers are advised to make arrangements for the sharing of the costs of the invoice.

Customers are Jointly and Severally Liable

By signing this form, customers agree to be jointly and severally liable for water charges and compliance with their contracts. For example, this means that SunWater can require payment from any or all of the applicants

Ending this arrangement

By signing this application form, customers agree that SunWater or **all** of the applicants can end this arrangement by giving at least two (2) months notice to the other party. Where the customers seek to end the arrangement, each customer must sign such a request.

If any of the parties to this application change eg a property (IROL) or water allocation (ROL) is sold then this agreement will end at settlement unless a new application has been submitted.
