

**MacIntyre Brook Water Supply Scheme
Irrigation Advisory Committee (IAC)
Code of Conduct**

1. ***Working co-operatively:*** IAC members will work co-operatively in the best interest of irrigators and SunWater.
2. ***Focusing on operations:*** IAC members acknowledge the focus of meetings will be on scheme-related issues in line with the committee's Charter.
3. ***Respecting all members:*** IAC members will conduct themselves in a polite and respectful manner and listen to and respect the view points of others.
4. ***Debating the issues:*** IAC members acknowledge that SunWater and irrigators will at times hold different opinions but both groups must work co-operatively to find resolution.
5. ***Representing stakeholders:*** IAC members acknowledge that their role is to represent interest of the broader irrigation community, not individual interests.
6. ***Focusing on facts:*** IAC members will base their discussions and negotiations on factual information brought to the committee for consideration.
7. ***Committing to action:*** IAC members follow through on the agreed actions reached at committee meetings.
