Agenda Items		
Item No.	Agenda Item	Action Point
1.	NSP Reporting and feedback <ul style="list-style-type: none">The Network Service Plan for the year 2016-2017 was presented to the meeting and feedback was positive with the work to be undertaken in the next twelve months.	
2.	Water Ordering <ul style="list-style-type: none">Karan Quartermaine spoke to the meeting in relation to irrigators not ordering water, but taking. Suggestions put forward based on new irrigators in the system was to hold an information based meeting on continuous sharing and the need to water order for system.	
3.	Temporary Transfer of Water <ul style="list-style-type: none">The irrigators asked if under the current ROP rules and whilst the BRWSS water is still available in Coolmunda Dam are they able to temporary transfer water from the BRWSS into the Macintyre Brook Scheme.	Under the Section 120 of the Border Rivers ROP it refers to maximum allowable use volumes for the MacBrook. Confirmation sought from DNRM.
