1. Apologies

Nil

2. Business arising from previous minutes

Nil

3. SunWater Report

Discussion centered on the release from Kroombit and the assistance to the groundwater recharge in the area .The volume available for release was in the order of 4,000 ML for the water year. However there was only a release of 1,300ML for the financial year. (Report attached)

4. General Business

The Observation Bore Plots were presented and discussed at length. Some irrigators felt that the Announced Allocation in Section 3B could have been reduces and others lifted.

In conclusion the Committee endorsed the Announced Allocations as presented.

**Groundwater Announced Allocations %
For the 2009 / 2010 Water Year**
