Jeff Schmidt	Chairperson - Main Roads Pipeline System
Alan Otto	Committee Member - Walker Point System
Trevor Turner	Committee Member - Maryborough Canegrowers
Trevor Crook	Committee Member - Maryborough Sugar
Cr Julie Arthur	Committee Member - Fraser Coast Regional Council
Danny Green	SunWater

1. Apologies

Adrian Ross (Mary River Barrage Storage),
Roy Goldenstein (SunWater)

2. Previous Minutes

Minutes of the last IAC meeting, 25 July 2008, were distributed and endorsed on the motion T Crook/A Otto.

3. Business Arising From Minutes

The Modernisation Review has been completed and whilst no water saving efficiency gains were identified as per the terms of the funding, several improvements were noted for inclusion in the works program.

4. Correspondence

Outwards - Advice of meeting to IAC nominations

5. SunWater Manager's Report

Danny Green presented the scheme report:

Both barrages are currently over topping which has been the case for the majority of the year.

5.1 Announced Allocation

From 1 July
HP 100%
MP 100%

MINUTES OF MEETING – 12 May 2009

5.2 Water Deliveries

	MLs
Sept quarter reads	169
Dec quarter reads	962
March quarter reads	3086
YTD	4217

Remaining Customer Balance 21952 MLs

5.3 Other Water Management Issues

2nd Quarter Compliance Report prepared by ROL Holder (i.e. SunWater) – no issues

5.4 Mary Basin WRP/ROP

Danny Green advised that the latest from the department is that they are hoping for a release of the draft around mid July (however this is not confirmed and subject to approval from Minister and Cabinet).

Invites will go to all irrigators for a meeting to discuss and outline the draft and for comment.

One on one meeting's also with key stakeholder groups including IAC. Following these there will be a 30 business day period for submissions.

5.5 Assets and Refurbishments

I. Current Works

Major 08/09 R&E projects

- Install marker buoys Mary Barrage
