### 1. Apologies

No apologies

### 2. Welcome

Peter Collett opened the meeting welcoming everyone. He then introduced the SunWater team. Peter advised that there was no fixed agenda, but that Dali had asked for a meeting to provide an update on water accounting to the irrigators.

### 3. Minutes of Previous Meeting

The minutes from the previous meeting were not presented.

### 4. Water Accounting

Petrina Douglas presented an overview of water accounting in the Macintyre Brook WSS. There was a general discussion of the process and management of the water accounts.

### 5. Other Business

#### Interscheme Water Trading

Graham Bond asked about Inter-Scheme Trading and if the process had been resolved with DERM. Petrina informed the meeting that SunWater is currently working with DERM to finalise a MOU. Graham pointed out that with the losses applied at the end of the Macintyre Brook WSS it was most efficient to deliver water out of the scheme as a bulk

release. He suggested that SunWater should co-ordinate this bulk release so that water traders could plan their auctions. Petrina noted that this was not the role of SunWater as it was the customers who are trading the water.

**Water Pricing**

Peter provided a brief update on the QCA water pricing review. The QCA report is still in draft and available on the web site.

**6. Next Meeting Date**

Tentatively scheduled in August. An agenda and date claimer will be forwarded to IAC members closer to the date.

Meeting Closed: 9.00pm
