1. Purpose

DEALING WITH A COMPLAINT INVOLVING THE CEO (S. 156 GOVERNMENT OWNED CORPORATIONS ACT 1993 AND S. 38 and 48A OF THE CRIME AND CORRUPTION ACT 2001 (the 'CC Act')).

The objective of this Procedure is to set out how Sunwater will deal with a Complaint that involves or may involve corrupt conduct of its Chief Executive Officer (CEO).

This Procedure has been developed with a view to being consistent with policies of unit of public administration under section 48A of the CC Act, (despite section 48A of the CC Act not applying to Sunwater). This Procedure is designed to assist Sunwater to:

- Promote public confidence in the way suspected corrupt conduct of the CEO of Sunwater is dealt with (section 156 GOC Act).
- Promote accountability, integrity and transparency in the way Sunwater deals with a Complaint that is suspected to involve, or may involve, corrupt conduct of the CEO.

2. Scope

This Procedure applies if there is a Complaint which involves or relates to the CEO regardless of whether it is suspected the Complaint involves corrupt conduct, or not.

The relevant obligations in respect of notifying Complaints of suspected corrupt conduct relating to Sunwater are set out in section 156 of the GOC Act. It provides that the CEO must notify the Crime and Corruption Commission ('CCC') of a Complaint relating to the GOC if the CEO suspects the Complaint involves, or may involve, something that would be corrupt conduct under CC Act (if the GOC were a unit of public administration).

For the purpose of this procedure the Nomination Person has the obligation of the CEO as outlined below.

3. Procedure

3.1. Nominated Person

This Procedure nominates the Chair of the Board (including any person acting in that role from time to time) as the Nominated Person.

3.2. Notification

For the purposes of notifying a Complaint to which this Procedure applies, sections 156(1) and (2) of the GOC Act apply to Sunwater as if a reference to the CEO were a reference to the Nominated Person. In assessing a Complaint for notification, the Nominated Person must, at all times, use their best endeavours to act independently, impartially and fairly to investigate the Complaint (and such other matters that the Nominated Person identifies) and assess and determine whether there are grounds to suspect the Complaint involves, or may involve, something that would be corrupt conduct under the CC Act (if the GOC were a unit of public administration), having regard to the:

- purposes of the CC Act
- the importance of promoting public confidence in the way suspected corrupt conduct in Sunwater is dealt with, and
- Sunwater's statutory, policy and procedural framework.

The Nominated Person must, pursuant to section 156 of the GOC Act, notify the CCC of a Complaint relating to the GOC if the Nominated Person suspects the Complaint involves, or may involve, something that would be corrupt conduct under CC Act (if the GOC were a unit of public administration).

The Nominated Person must also advise the Board of Directors about the action taken or not taken in respect of a notification of the Complaint.

If the CEO suspects a Complaint may involve corrupt conduct on his or her part, the CEO must:

- report the Complaint to the Nominated Person as soon as practical, and
- take no further action to deal with the Complaint unless requested to do so by the Nominated Person.

3.3. Post Notification – Dealing with a Complaint

The Nominated Person has responsibility to deal with a Complaint notified under section 156 GOC Act to which this Procedure applies when:

- directions issued under section 40 of the CC Act apply to the Complaint, or
- pursuant to the CC Act, the CCC refers the Complaint to the Nominated Person or the CEO to deal with.

In such circumstances, the GOC Act and CC Act will apply as if a reference to the CEO of Sunwater was a reference to the Nominated Person, and the Nominated Person:

- is delegated the same authority, functions and powers as the CEO to direct and control staff of Sunwater as if the Nominated Person is the CEO for the purpose of dealing with the Complaint only;
- is delegated the same authority, functions and powers as the CEO to enter into contracts on behalf of Sunwater for the purpose of dealing with the Complaint; and
- must advise the Board of the manner in which the Complaint has been dealt with, subject to any lawful direction of the CCC.

Sunwater will ensure that sufficient resources are available to the Nominated Person to enable them to deal with any Complaint appropriately. In dealing with a Complaint, the Nominated Person must, at all times, use their best endeavours to act independently, impartially and fairly having regard to the:

- purposes of the CC Act;
- the importance of promoting public confidence in the way suspected corrupt conduct in Sunwater Limited is dealt with; and
- Sunwater’s statutory, policy and procedural framework.

3.4. Consultation with the CCC

The Nominated Person will consult with the CCC when preparing any procedure about how Sunwater will deal with a Complaint that involves or may involve corrupt conduct of the CEO.

3.5. Review of Procedure

The Board will review this Procedure on a two yearly basis. The CEO and Company Secretary have the authority to approve administrative amendments to this and other governance policies, with advice to be provided to the Board on material administrative changes.

3.6. Enquiries Regarding this Procedure

Enquiries regarding this Procedure should be directed to the Company Secretary.
