

## Play Safe (Y4-Y6)

Lesson: Play Safe (Y4-Y6)	
Age Group (Grades): 4-6	Lesson duration: Approx. 15 minutes
<b>Aim:</b> Students are able to identify water related risks.	
<b>Notes</b>	
This game will familiarize students with different types of water hazards by associating them with a negative response as the game sets them back. They will also experience a positive association with safety signs which will move them forward in the game. For some younger groups of students some additional support may be needed from teachers/ facilitators.	
<b>Instructions</b>	
<ol style="list-style-type: none"><li>1. The presenter will explain the rules of Snakes and Ladders style game, explaining the different hazards that the students will face and their potential setbacks.</li><li>2. Students will group up in 4-6 students each and be given the game</li><li>3. The game will include water hazards that will set back the students a certain amount of spaces, as well as Safety signs which will allow them to move up a certain amount of spaces.</li><li>4. The game will end once all of the students reach the 'finish' tile on the game.</li></ol>
