

## Play Safe (P-Y3)

Lesson: Play Safe (P-Y3)	
Age Group (Grades): P-3	Lesson duration: Approx.15 mins
<b>Aim:</b> Students understand the types of risks associated with different water bodies by exploring different signage and their meanings.	
Notes	
This activity is to expand the student's understanding of water associated risks and how risky situations arise. This activity includes student-led discussion on different types of signage, their meaning and when would they be in place.	
Instructions	
<ol style="list-style-type: none"><li>1. The presenter will provide a poster of Sunwater infrastructure including different types of dangers that may be relevant to the site. The students will also be provided with warning sign cards that they have to match up to the danger to help communicate the risks.</li><li>2. In small groups the students will identify and discuss the meaning for all signs and try to match them to the dangers within the poster.</li><li>3. Students will take turns and place the warning signs where they believe it should be located.</li></ol>	
Resources	
<ul style="list-style-type: none"><li>• Poster</li><li>• Warning signs</li><li>• Blotack or velcro dots (optional)</li></ul>
