

# What's the Infrastructure? (P-Y3)

Lesson: What's the Infrastructure? (P-Y3)	
Age Group (Grades): P-3	Lesson duration: Approx. 10 minutes
<b>Aim:</b> Students are able to identify different types of Sunwater infrastructure.	
<b>Notes</b>	
This activity is to expand the student's understanding of the differences in types of Sunwater infrastructure. This activity includes active discussion with students.	
<b>Instructions</b>	
<ol style="list-style-type: none"> <li>1. The presenter will display an unidentifiable blurry/pixelated image of a type of infrastructure present within Sunwater. This will include either a:               <ol style="list-style-type: none"> <li>a. Dam</li> <li>b. Weir</li> </ol> </li> <li>2. The presenter will ask the students questions and give clues to incite discussion on identifiable features of the infrastructure.</li> <li>3. As discussion progresses, the presenter will make the image clearer through different stages.</li> <li>4. After sufficient discussion, the presenter will reveal the image and reveal the correct form of infrastructure.</li> <li>5. The presenter will repeat the game with the second infrastructure. Once completed, the presenter will discuss with the students of the differences between a Dam and a Weir.</li> </ol> <p>This activity can be scaled for different age groups and developmental levels by adjusting the difficulty level of the clues provided.</p>	
<b>Resources</b>	
<ul style="list-style-type: none"> <li>• Projector and screen or smartboard</li> <li>• Clues list</li> </ul>
