

Welcome to Wuruma Dam

Thank you for visiting Wuruma Dam. Sunwater encourages all visitors to help keep our dam recreational facilities a fun, safe place to relax and have a good time. Please take note of the below guidelines for your safety and enjoyment.

Read the signs and stay safe

For your own safety, please take note of the signs around the dam. The signs indicate hazards to watch out for and areas to avoid. Visitors are required to comply with all relevant laws whilst on Sunwater property.

Camping

Camping at Wuruma Dam is permitted in the designated camping area adjacent to the dam wall (refer to map overpage).

The lake side area near the boat ramp is for recreational day use only.

No bookings are required and camping is free-of-charge, however stays are restricted to a maximum of three weeks in any four week period.

Please note there are no showers or treated water available at Wuruma Dam. Please bring your own drinking water with you. The disposal of chemical toilet waste at Wuruma Dam amenities is prohibited. The nearest dump point is located in Eidsvold, opposite the Star Hotel.

Fishing

Fishing is not permitted within the buoy line upstream or immediately downstream of the Wuruma Dam wall. A fishing permit is available from Fisheries Queensland that sets out the conditions under which you can fish at Queensland dams. Call Fisheries Queensland on 13 25 23 to locate your nearest fishing permit outlet or apply online at www.qld.gov.au/recreation/activities/boating-fishing/rec-fishing/dams

Antisocial behaviour

If you observe vandalism, antisocial behaviour or any illegal activities please contact the Police immediately on Triple Zero (000) so we can keep the recreational areas safe and enjoyable for all.

Pets

For everyone's enjoyment and safety, please keep your pet on a leash or restrained during your stay.

Open fires and barbeques

There are no barbeque facilities at Wuruma Dam. Visitors and campers are permitted to use their own non-wood-fired barbeques. Open fires are not allowed anywhere on Sunwater property.

Help stop the spread of weeds and pests

Please keep your vehicles, trailers and boats clean to limit transfer of weeds and pests when entering and leaving this area.

Boating, skiing and other water activities

Please keep in mind that there may be hazards under the water's surface that are not easily visible, so proceed with caution and always follow signage.

It is the responsibility of each recreational user and visitor to be aware of the risks at the storage and when operating a vessel on the lake. Please be aware that boating, skiing or other water activities are not permitted within the buoy line upstream of the Wuruma Dam wall.

For more information about what water activities are allowed on Lake Wuruma contact Maritime Safety Queensland (Gladstone region) on (07) 4971 5200 or via their website www.msq.qld.gov.au

Commercial, club or large group activities

Commercial, club or large group activities or events require advance approval from Sunwater. Please contact Sunwater on **13 15 89** at least three-weeks ahead to discuss your event and arrange for appropriate approvals.

Rubbish

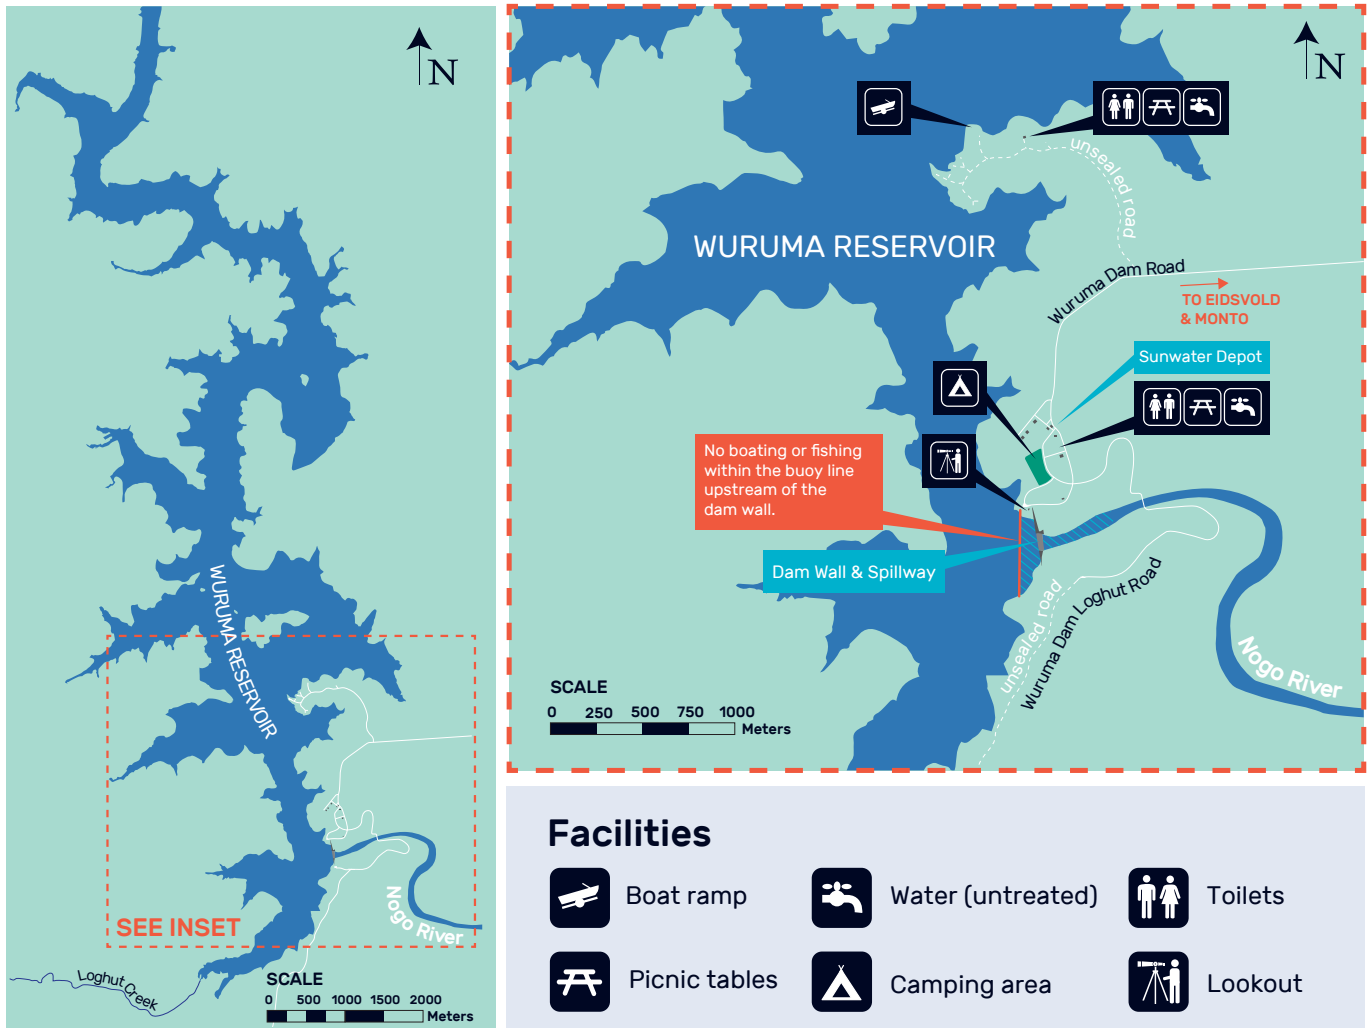

Help us to keep the recreational areas clean and tidy by using the rubbish bins provided. If the rubbish bins are full please take your rubbish with you. The disposal of Redclaw remains in the rubbish bins is not permitted. Please take Redclaw remains with you when you leave.
