

Dawson Valley Water Supply Scheme

Customer Meetings

24 February 2021

Dear customer,

Sunwater is committed to keeping our customers at the centre of everything we do. With this commitment front of mind, we want to provide customers the opportunity to interact with us as a business so we can continue to provide a valuable and reliable service. Based on your feedback, Sunwater wish to invite you to our upcoming customer meetings.

While customer ideas are always welcome, the purpose of this meeting is to open a line of communication with Sunwater where all customers can discuss key initiatives and provide feedback on our service delivery in the Dawson Valley Water Supply Scheme. Sunwater also wish to present information on our customer engagement strategy and introduce the Dawson Valley Customer Advisory Committee (CAC) meetings taking place in the scheme.

Two initial customer meetings will be held in Theodore and Baralaba in March 2021. We welcome you as a valued customer to attend to provide your feedback and input into the formation of the Dawson Valley CAC.
