

## End of water year 2021-22 newsletter Upper Condamine Water Supply Scheme

June 2022

### Scheme overview for 2021-22

Leslie Dam received inflows between July and December 2021, peaking at 107,516 ML (101.2 per cent) on 6 December 2021.

The below table shows scheme water usage and remaining balances as at 15 May 2022.

Scheme	Usage from 1 July 2021	Estimated Remaining Balance
Upper Condamine	4222 ML	21,497 ML

The Upper Condamine Customer Advisory Committee (CAC) was established in 2022.

The CAC engagement model was created to provide customers with a diverse forum for engagement with Sunwater on a range of strategic matters relating to Sunwater's innovation, management, and maintenance of assets to ensure the reliable and efficient delivery of service.

### End of water year information

For a smooth end of water year process, please ensure any overuse of water for 2021-22 is rectified, and all outstanding accounts are paid in full. To ensure Sunwater customers can effectively manage their water and business, we have compiled key information and submission dates regarding meter reads, carryover, and temporary transfers, which are available on page one of this newsletter.

### Irrigation discounts 2021-24

From 1 July 2021 to 30 June 2023, every irrigator who buys water from Queensland's state-owned irrigation schemes will be eligible for the following discounts:

- 50 per cent for irrigation of horticultural crops (by way of 35 per cent rebate)
- 15 per cent for all other irrigation.

Irrigators supplied with water from Sunwater-owned schemes automatically receive a 15 per cent discount on bills issued from 1 July 2021. The total price listed on invoices issued by Sunwater reflect the discounted price. Horticultural growers can apply to receive the balance of their 50 per cent discount through a 35 per cent rebate, which will be assessed and

administered by the Queensland Rural and Industry Development Authority (QRIDA). For more information, visit the QRIDA [website](#) or contact the free call number 1800 623 946. For further information regarding these price changes, visit the Queensland Government [website](#).

### Commercial and industrial customers

To assist with preparing for end of water year, commercial and industrial customers should contact their relationship manager to discuss any special arrangements currently in place. The Sunwater Commercial team can be contacted directly by:

- emailing [commercial@sunwater.com.au](mailto:commercial@sunwater.com.au)
- phoning 13 15 89 and providing the name of your relationship manager to the customer advisor you are connected with.

### Are your contact details up to date?

To avoid missing critical communications and streamline managing your Sunwater business, customers are encouraged to check their contact details and authorised account contacts are up to date by:

- logging into your Sunwater Online account [here](#). Assistance with updating contact information is available [here](#)
- emailing a [Customer Profile Form](#) to [customersupport@sunwater.com.au](mailto:customersupport@sunwater.com.au).
- chatting with an advisor via the [Sunwater website](#) live chat or phoning 13 15 89 Monday-Friday 8:30am – 4:30pm.

### Updating your invoice delivery method

Invoices received via post are a summary only and don't include information such as past meter reads, water usage, and a breakdown of your fees and charges.

By opting for an email invoice, your bills will be received in real time and, instead of receiving a summary invoice, bills will include all of the above information.

To update your invoice delivery method, please contact customer support by phone, email or the Sunwater website live chat.
